

Wrington C of E Primary School

Home/School Agreement

'Cherish and nurture, flourish and aspire'

A nurturing and compassionate ethos lies at the heart of our school in which all members of our community feel secure, respected, motivated, confident and cared for. Positive relationships are a cornerstone of the life of the school and children are encouraged to take responsibility for their own behaviour.

At Wrington C of E Primary our aims are:

- Every child will value themselves as a unique individual with special qualities and strengths, and will have a strong social, spiritual and moral grounding on which to base relationships and decisions.
- Every child will take responsibility for their actions and have a respect and understanding of the beliefs, values and needs of others in the local and global community.
- Every child will achieve their potential through developing their skills, knowledge and understanding across a creative and inspiring curriculum and become a life-long learner.
- Every child will be actively involved in their own learning through self-evaluation and awareness of learning goals.
- Every child will be a highly motivated, skilled and resilient learner, able to be reflective on their learning and willing to accept constructive comments and guidance.
- Every child will welcome new experiences and be courageous in their learning, which will develop their confidence to tackle challenges, solve problems and make mistakes within a secure environment.
- Every child will be encouraged to understand the meaning and significance of faith. We look forward to working closely together to achieve these aims.

'It is our mission to create a vibrant learning community, founded on Christian values forging close partnerships which enable children to flourish and aspire.'

We agree to work together to implement this home/school agreement
